CHAMPION
IRRIGATION PRODUCTS

Drip Fittings

Champion 17mm Drip Fittings provide secure, reliable connections for drip irrigation systems. Designed for easy installation, these fittings allow for connecting, branching, and adapting drip tubing to threaded components. Ideal for residential landscapes, gardens, orchards, and greenhouse applications.

CH17-BC

Key Features

- **Secure Connections:** Barbed ends provide a tight grip on 17mm drip tubing to help prevent leaks.
- **Easy Installation:** Simple connections allow for quick installation with minimal tools.
- **Versatile Configurations:** Available in couplings, elbows, tees, and male threaded adapters to accommodate various system layouts.
- **System Compatibility:** Select fittings feature 1/2" male pipe threads for connecting to compatible valves, manifolds, filters, and PVC fittings.
- **Multiple Applications:** Ideal for residential landscapes, gardens, orchards, and greenhouses.
